

Section 3 – External Auditor’s Report and Certificate 2025/26

In respect of

Dedham Parish Council – EX0059

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2026; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2025/26

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Information has come to our attention from the internal auditor highlighting the fact that Sections 1 & 2 for previous years, notice of conclusion of audit for the prior year and notice regarding the period for the exercise of public rights were not published on the authority’s website by the dates specified in the Accounts and Audit Regulations 2015. This is consistent with the internal auditor’s response to Internal Control Objective L & M.

Section 1, Assertion 10 has been incorrectly completed, as there is no data protection policy in place. This is consistent with the Internal Auditor’s response to Internal Control Objective O.

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2026/27 for the exercise of public rights, since the contact details for the external auditor were not correct. As a result, the smaller authority must answer ‘No’ to Assertion 4 of the Annual Governance Statement for 2026/27 and ensure that it makes proper provision for the exercise of public rights during 2027/28.

In the completion of the Annual Internal Audit Report, and their detailed report, the internal auditor has drawn attention to weaknesses in relation to the review and updating of financial regulations and standing orders as well as the consideration of the level of fidelity insurance. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

3 External auditor certificate 2025/26

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2026.
